MALAWI SISTER PARISH SUCCESS STORY

Greetings from Malawi, especially from your brothers and sisters at St. Joseph Parish. I am pleased to inform you that since the commencement of the feeding program at St. Joseph Primary School has so far witnessed the following progress:

1. Great Reduction in absenteeism. More and more learners are attending classes on daily basis unlike before the program.
2. More drop-outs are coming back to school after dropping out due to hunger.
3. There is an improvement in the retention of learners in classes knocking off hours unlike before the commencement of this program especially learners from infant and junior sections. More learners used to desert classes due to hunger. There is also an increase in school enrollment these two months due to the implementation of the program.

The program has been welcomed and fully supported by the community. This is evidenced by large numbers coming daily to prepare the porridge and also their constant support of firewood for the program. It is our sincere hope that the feeding program will improve learners performance hence reduce repetition rate in classes due to improvement in class attendance and active participation of learners in various activities at school.

Signed by Fr. Chris, pastor of St. Joseph, Namalaka

Lives Matter!

When our country of America were searching for a way to be most important for our Thomas Jefferson had read Declaration of Independence. and the Pursuit of Happiness values. Cardinal Bernardin of 1996) taught that each person right to be free to worship right to be happy as members we don't disrespect anyone. He taught that killing in all its forms takes away the right to life.

was very new (1776) people decide which values should country. A young man named an idea he included in the He said that Life, Liberty, were our most important the Catholic Church (1928- has the right to life, the and make decisions, and the of Christ's body. That means

Debajo del Terebinto

Nunca sabemos cuando Dios nos va a visitar. Estaba muy caliente al mediodía cuando Abram se sentó debajo de un árbol. De repente, aparecieron tres hombres en el camino. Abram les invitó a comer con su familia. Ellos le dijeron que su esposa Sará daría a luz un hijo.

We never know when God is going to visit. It was very hot one day when Abraham was sitting under a terebinth tree at midday. Suddenly three men appeared. Abraham invited them to eat with his family. They promised that his wife Sarah was going to have a baby.

(Gen. 18: 1-10)

Jesus Heals a Paralyzed Man

Try to imagine what it would be like to be paralyzed. With

arms and legs useless you couldn't run, couldn't feed yourself, couldn't do anything without help. Friends of a paralyzed man brought him to Jesus. First Jesus forgave the man for his sins, and then he told him to get up and walk.

Trata de imaginar como la vida fuera para un paralítico con brazos y piernas inútiles. Jesús perdonó de sus pecados. Los fariseos le criticaron por perdonar pecados. Luego sanó al hombre, demostrando su autoridad.

4TH SUNDAY OF LENT

The blind man was willing to let Jesus minister to him and willingly did all Jesus asked of him. The Pharisees were more resistant to His message, spending their time and energy to disprove the miracle. Which am I more like, the man born blind or the Pharisees?
