## PART 2—CONTINUATION OF LETTER FROM BISHOPS OF MALAWI TO GOVERNMENT

We (the bishops of Malawi) cannot sit back and watch in the face of shrinking standards or lack of public service delivery, increasing gap between rich and poor, lack of fiscal discipline and misplaced priorities in the prevailing tough times which call for tough measures. The letter highlights the concerns on the shortage of maize (a type of field corn, the main form of sustenance) in the country and the exorbitant prices, as well as being deeply worried by the bad performance of the economy. The Church also said it is concerned about “new trends in our society that promote a culture of death instead of a culture of life such as the abortion campaign. Because of that the family and the institution of marriage between man and woman are under direct attack from those campaigning for homosexual rights and unions.” On the decline of social services, the bishops noted that many district hospitals have scaled down their operations with their ambulance services grounded, their medical supplies drastically reduced to a few essential drugs and provision of meals to patients reduced to only one meal per day. “The deepening healthcare crisis across the country requires special attention from our government.” The church reminds the leadership of the country that most poor Malawians depend on public service delivery financed by the government. “Consequently, limited or lack of funding is tantamount to denying them access to better services in education, health, agriculture and water, among many other services. This hugely compromises the right to development and a decent life for many.

## DO YOU KNOW—Where are FLOWERS in the Bible? (answers next week)

1. In *Luke 12: 27-28* what can we learn from lilies?
2. What kind of blossoms were pictures on the tabernacle lampstands? *Read Exodus 37: 17-22*
3. Which fruit in *Isaiah 18: 5-6* starts out as a blossom? (Note: all fruits start out as blossoms.)
4. Which flower blooms in the desert of Arabia? (*see Isaiah 35: 1-2*)

By the way, what is YOUR favorite flower?

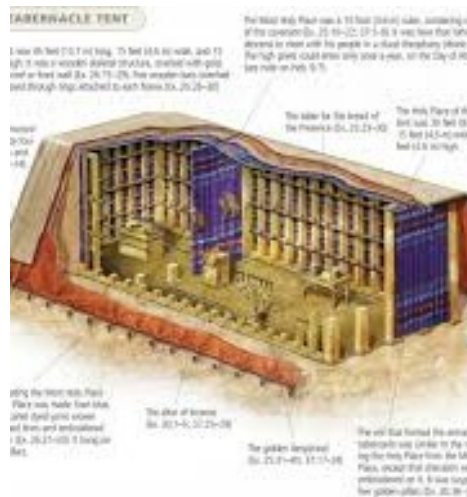

### OLD TESTAMENT FRIEND—BEZALEL

In the Catholic Church we have a tabernacle where the consecrated host—the Body of Christ—is saved.

The ancient Hebrews had a tabernacle where the Bread of the Presence was saved. It makes sense that both kinds of tabernacles would be highly decorated.

There was a wonderful man named Bezalel who was chosen by God to decorate the tabernacle out in the wilderness. The ancient Hebrews had escaped from Egypt and were slowly making their way to the Promised Land.

You can read about Bezalel in chapter 31 of Exodus. Here are the things he knew how to do. He knew how to do embroidery, how to make gold or silver or bronze items, and how to cut and mount precious stones. Bezalel also knew how to carve wood, make garments for the priests, and even knew how to make perfumed oils. Bezalel was kept so busy that he was given an assistant named Oholiab. The tabernacle must have been a very beautiful place!

## ST. BRENDAN WOMENS BOOK CLUB

This month's book is entitled, "50 Women Every Christian Should Know" by Michelle DeRusha. This book shares the stories of 50 women—just like us—who listened, obeyed and became giants in faith. Their stories bring to life lives of women who boldly stepped out in faith and courage and left their mark on our world for God. Please join us on **Monday, April 25 as we discuss this month's book at 7:00 pm in the Brendan House Dining Room.**

Questions? Call Berni at 425-485-4893 or Anneliese at 425-486-4225.

Many thanks to them! BUT there is still so much more to do. **Please grab your gardening tools and join us on Saturday morning, April 16 for any length of time between 8:00 am–12:00 pm.** Questions? ## SPIRITUAL ADOPTION UPDATE

In January many of our parishioners spiritually adopted newly conceived babies, making a commitment to pray daily as they grow and develop. Those babies are now 12 weeks old. Their feet are perfectly shaped. Eyelids, nails and fingerprints are already developed. Their entire body is sensitive to touch and can feel pain. They sleep and wake regularly. Vigorous activity shows distinct individuality. The babies can kick, turn their feet, make fists, move their thumbs, bend their wrists, turn their heads, open their mouths and press their lips tightly together. They "breathe" amniotic fluid to help develop their respiratory systems, all pretty amazing for only 12 weeks old. Please remember to pray daily for these little ones! *"Psalm 139:13, 14. Truly you formed my inmost being; you knit me in my mother's womb. I give you thanks that I am fearfully, wonderfully made; wonderful are your works."*

## EXPECTANT MOTHERS IN OUR PARISH FAMILY PRAYERS

# Parish Administration & Stewardship

## THIRD SUNDAY OF EASTER

## ANNUAL CATHOLIC APPEAL

The time for 2015-16 campaign is running out. If you still have an outstanding balance owing on your pledge, please pay this in the next week. The latest report shows that right now we owe the ACA \$8,383 which the Parish will have to pay.
