## LENTEN SEASON

The Lenten season prepares us to celebrate the most important feast of the year, the Easter Triduum, when we commemorate the central events of our salvation: Jesus' last supper, death, and resurrection. The 40 days are spent in prayer, fasting, and penance as we prepare to be joined with Christ's death and resurrection through the Sacraments of Initiation. Everyone needs a time of prayer and penance on a regular basis. To benefit the most from our observance of Lent today, it may be helpful to consider one of the Lenten Opportunities listed on this page. May our Lenten observance renew us and bring us to a meaningful celebration of Easter.

## LENTEN DISCIPLINE

The Church calls all Catholics to observe Lent through the ancient disciplines of fasting and abstinence from meat by:

**FASTING** on Ash Wednesday and on Good Friday for all who are 18 through 59 years of age. Fasting consists of only one full meal with two smaller meals allowed if necessary. (Fasting is not required but encouraged for people older than 59 if physically able).

**ABSTAINING** from meat for those 14 years of age and older on Ash Wednesday, Good Friday, and all Fridays.

**TENEBRAE** (—Latin for "darkness") is a religious service of Western Christianity held during the three days preceding Easter Day, and characterized by gradual extinguishing of candles, and by a "strepitus" or "loud noise" taking place in total darkness near the end of the service.
